MAYOR'S STATE OF THE CITY ADDRESS

Mayor DePamphilis welcomed everyone in attendance and thanked them for attending the meeting. He reminded everyone how honored he is to be the Mayor. The Mayor thanked his wife, Sally, for her continued support through 2017. He congratulated Council President Paolone, Councilman Matik and Councilman Ford on their re-election to Council. He is sure they will continue to do an excellent job for the residents of Linwood.

He also thanked City Clerk, Leigh Ann, and Mary, Lynn Roesch, Anthony Strazzeri, Ed Beck and all the staff at City Hall for another very successful year. He welcomed Silvia Washington, the new Tax Collector. She will team up with Danielle Kelly in the tax office. The City's tax collection rate for 2017 was 96.23%. Diane Hesley, the Tax Assessor, had another very busy year. 307 county level tax appeals were filed in Linwood in 2017 and the total value lost was \$14,867,200. The third straight year of considerable value lost to tax appeals.

It is a pleasure for the Mayor to remind everyone each year of the exceptional work that is done by the Public Works, Fire and Police Departments. Well, this year is no different. Chip Jones and his Public Works staff have done a terrific job in 2017. They assisted with the lights at the park and the new playground. They seem to be the go to department whenever anyone needs help.

Chief Marty Walley and the Volunteer Fire Department continue to provide Linwood with fire service with little cost to the tax payer. They are always there when you need them the most. Not only at fires but at all city functions and holiday events. Everyone, but especially the children, love to see the Easter Bunny at the Easter celebration and Santa Claus at the Tree Lighting.

Chief Doug Carman and Captain John Hamilton continue to provide quality police service. This year again they hosted the National Night Out which has turned into a great community event. This year they received state highway safety grants in the amount of \$21,500. Also this year, in an effort to improve security they introduced a Class III Police Officer who is assigned full time to Mainland Regional High School.

The Mayor commended Richard Sless and the entire Linwood Board of Education for a smooth transition from an appointed to an elected board. While at the same time searching for and hiring a new Superintendent. One of Linwood's own Brian Pruitt has been selected as the Superintendent. The Mayor been assured by Mayor Guenther of Brigantine that Linwood made a terrific choice. Linwood has a great school system with excellent teachers, a quality administration and an experienced school board and the Mayor is confident that they will continue to maintain the quality education that Linwood has become famous for. Sadly, Linwood is losing two long time board members who have been responsible for much of the success that has been experienced. Board President Richard Sless has served for 16 years and Past President Lynn Gibson served for 23 years. The Mayor thanked them for their time, their commitment and their devotion to the Linwood School System.

The Mayor thanked Vince Polistina, the City Engineer, for all his hard work and expertise. He is sure that all have noticed the improvements made during 2017. The City, as well as, South Jersey Gas completed full width paving on numerous streets throughout the City. A new multi-purpose playing field with a walking path and additional parking was completed at the Poplar Avenue facility. A new improved playground was installed in a new location at Memorial Field.

The Planning Board in conjunction with the Zoning Board is very close to completing its Master Plan review and sending it to Council for their approval.

The Mayor commended Maria Moss, Mary Todd and the Library Board who continue to provide a number of valued services to the residents. This year they expanded its adult programs along with the many children events that are offered. The newest book related program is the classic book and movie club offering classic and foreign films throughout the year. The all-purpose room is now equipped with a smart TV and is available for use for power point and movie presentations. The Friends of the Library are looking for volunteers to assist in fundraising and programming to support the library.

The Mayor thanked Tim Longnecker and the entire Board of Recreation for their great work with the sports programs at Memorial Field. And for providing all the super holiday celebrations for the residents and children of Linwood. The Park Director Laurie Montgomery continues to provide new and exciting holiday celebrations for the residents to enjoy. This years' Christmas Tree Lighting ceremony and the new holiday lighting at the park was just magnificent.

The Environmental Commission had a busy year. They received a \$10,000 grant from Sustainable Jersey and \$15,000 from A.C. Electric for the living shoreline project along Patcong Creek. The 10th annual Patcong Creek cleanup was expanded to include Egg Harbor Twp. and Somers Point and Linwood won a Bronze Certification from Sustainable Jersey. They also assisted the City in gaining Blue Acres funding for waterfront properties and also in obtaining residents increased flood insurance discounts.

The City authorized the issuance of its second liquor license last year and it sold for \$250,000 for use in Gerald Bird's newly completed Exchange Food Court on Route 9. The Exchange includes the District Bar and four restaurants outlets. They are a great addition to the Route 9 commercial corridor.

City Council remains intact and will continue to work to upgrade and improve City services and facilities. In their continued effort to save the taxpayers, they privatized the landscaping of City properties and entered a new Sewer Interlocal Agreement with Egg Harbor Township. Both moves provided considerable savings to the City.

2017 was another in a sequence of very challenging years. However, the Mayor believes that it was also the first of a new sequence. One in which the Atlantic County and Atlantic City economy begins to rebound. New jobs will provide the spark for increased Real Estate sales and new families will be moving into old neighborhoods. Linwood will be, once again, the most favorite destination.

The Mayor thanked everyone, wished everyone a Happy New Year, and God Bless America.

Councilman Matik – Councilman Matik referred to the Mayor's speech regarding the budget and referenced that over the last five years, City Council has lowered the budget and plan to do it again. Most of the reason for any increase in taxes is due to the tax appeals from the loss of revenue. Over \$400,000 lost in 2017 and over \$600,000 lost in 2016. He understands that more improvements are coming to beautify the City. Although Council President Paolone coaches at Holy Spirit, he follows and is very proud of the athletes at Mainland. Both the boys and girls soccer teams had great seasons. He was happy to see them working with Linwood's Recreation Board and holding Friday
