ORDINANCE NO. 15, 2021

AN ORDINANCE AMENDING CHAPTER 52 PERSONNEL AND PERSONNEL PROCEDURES, EMPLOYEE MANUAL, OF THE CODE OF THE CITY OF LINWOOD AND REPEALING ALL ORDINANCES HERETOFORE ADOPTED, THE PROVISIONS OF WHICH ARE INCONSISTENT HEREWITH.

**BE IT ORDAINED**, by the Common Council of the City of Linwood, County of Atlantic and State of New Jersey as follows:

**SECTION 1:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section I Purpose and Scope is hereby amended to read as follows:

**I. Purpose and Scope:**

Under New Jersey law (N.J.S.A. 6-8.21), an abused or neglected child is anyone “under the age of 18 who is caused harm by a parent, guardian or other person having custody or control of that minor.” A child who is under the age of eighteen (18) is considered to be abused or neglected when a parent, caregiver, another child or another adult does one of more of the following:

1. Inflicts or allows to be inflicted physical injury by other than accidental means that creates substantial harm or risk of substantial harm, and/or
2. Fails to provide proper supervision or adequate food, clothing, shelter, education or medical care although financially able or assisted to do so, and/or
3. Commits or allows to be committed an act of sexual abuse against a child.

Child abuse can have long-term effects on victims. A lack of trust and difficulty with healthy relationships is common, as is a core feeling of worthlessness and low self-esteem. There may even be long-term trouble with regulating emotions that can lead to destructive behaviors.

There are typically four common types of abuse:

- The failure to meet a child’s basic needs, physically or emotionally, which is called *neglect*.
- The intentional use of physical force that results in injury, which is called *physical abuse*.
- The practice of any behaviors that harm a child’s feelings of self-worth or emotional well-being, which is *emotional abuse*.
- Engaging in sexual acts with a child including pornography, which is *sexual abuse*.

Unfortunately, statistics reflect that abuse is all too common in any form.

- In New Jersey, abuse reports involving 80,000 children are filed each year. 50,000 of those children receive prevention and post-response services.
- 75% of the cases involve neglect, 18% of the cases involve physical abuse, and psychological abuse accounts for 7% of the cases.
- 55% of the perpetrators are female, while males account for 45%.
- Sadly, child abuse is a vicious cycle, in that 30% of abused children will later abuse their own children.

The statistics and characteristics pertaining to *sexual abuse* are sobering and equally as disheartening:

- ✓ **“Peer-to-Peer”** abuse is by far the most common, where one or more children or adolescent(s) sexually abuses or inappropriately touches another. Legally, the abuser must be at least 4 years older to trigger the statute. The *American Psychological Association* reports this type of abuse is driven by power and dominance, the same factors that drive bullying within this age group. In fact, bullying can be a precursor to sexual abuse, especially when there is a lack of supervision.
- ✓ In contrast, **“adult-to-child”** abuse is typically thought out and planned in advance, demanding access and privacy and control. These three factors demand a specific type of relationship and setting, meaning that 90% of juvenile sexual abuse victims know their abuser. The scope of the problem is massive: by the age of 18, 1 in 4 girls and 1 in 6 boys have experienced sexual abuse. From those figures, 88% of those molestations are attributed to individuals with pedophilia. ***Pedophilia is a psychotic disorder in which an adult or adolescent demonstrates a primary sexual attraction to prepubescent children.*** It is important, however, not to confuse pedophilia with actual child molestation, as many pedophiles never act on their attractions.
- ✓ Child sexual abusers are not always easy to spot. Though 7 out of every 8 molesters are male, they match the general population in ethnicity, religion, education, and marital status. So there is no stereotype, especially since abusers go to great lengths to blend in. However, only 10% of them abuse children that they don't know, and 68% look no further than their own families for victims.
- ✓ 40% of abusers first begin molesting children before they themselves reach the age of 15, and the vast majority before the age of 20.
- ✓ Adolescent abusers generally begin their acts of abuse on younger siblings.

- ✓ Most sexual abuse occurs within the family. However, molesters can gain access to children outside of their own families through employment or volunteer work with an organization that works primarily with children. This allows them both time alone with potential victims and the ability to build trust and credibility. In fact, child abusers are often known and respected in their communities for dedication to children.
- ✓ In terms of a victim profile, it is important to remember that, although there are characteristics that make some children more vulnerable, every child is in danger. Passive, lonely or troubled children, especially those who live with step-parents or single parents may be targeted. Children between the ages of 7 and 13 years old are most at risk, and children from low socioeconomic backgrounds or rural areas are more likely to be victimized.
- ✓ Molesters have behavioral patterns that can be identified as “*grooming*” their victims. Sexual abuse is rarely violent. The molester’s goal is to solicit compliance by beginning to win the victim’s trust. There might be pet names, gifts to foster exclusivity and encouragement to “keep secrets.” The molester might begin to spend time with the victim outside of the regular program or schedule, contacting parents to become involved in a child’s life in some capacity, like babysitting. For this reason, many parents are shocked after abuse comes to light simply because the abuser seemed trustworthy. Inevitably, the favoritism is not enough to keep the victim silent any more, and the abuser resorts to threats—threats that play off of a child’s guilt over the sexual contact.
- ✓ During the grooming process and abuse, victims often begin to show signs such as sexual behaviors or strong sexual language that is too adult for their age. Many children feel at fault after the abuse and begin to suffer guilt and depression, even resorting to self-harm. They may begin to display cuts and scratches or other self-inflicted injuries. However, some children are naïve and unaware of the gravity of the abusive nature of their experience. Research shows that children often delay reporting sexual abuse. They should not be disbelieved just because they waited a long time to seek help.

In the State of New Jersey every level of government has a role in protecting minors.

- At the State level:
  - State law is enforced through the NJ Family Division of the State court system. The court has broad powers including the ability to remove children from dangerous situations
  - The Department of Children and Families, specifically the Division of Child Protection and Permanency, combines all state operations intended to

safeguard children into a single, coordinated program working closely with the Courts, legal advocates and law enforcement.

- The Department of Corrections operates adult prisons and youth correctional centers to deal with perpetrators, while individual counties operate youth detention centers and special purpose schools.
- At the local level:
  - Educational professionals have the most contact with children, meaning they are often the first to detect issues.
  - Housing Authority employees may also frequently come into contact with children.
  - Municipalities and counties operate or sponsor a variety of programs that involve children including but not limited to:
    - Recreation programs
    - Before and After Care programs
    - Youth sports leagues
    - Youth centers
    - Youth in Government programs
    - Junior law enforcement training programs
  - The role of **Police and law enforcement agencies** is especially important. Police officers assist in resolving reported situations, often acting as first identifiers. In New Jersey, police are given broad authority to protect children, including the authority to remove them from their parents or caregivers without a court order if necessary to prevent imminent danger to a child. Under the **Prevention of Domestic Violence Act**, a law enforcement officer must make an arrest when the officer finds “probable cause” that domestic violence has occurred. This holds even if the victim refuses to make a complaint. The Act is invoked in situations where the victim exhibits signs of injury caused by domestic violence, when a warrant is in effect, or when there is probable cause to believe that a weapon has been involved in an act of domestic violence. Abusers often use psychological tactics or coercive control over their partners, such as making threats to prevent a victim from leaving or contacting friends, family or police. But even if these conditions are not met, an officer may still make an arrest or sign a criminal complaint if there is probable cause to believe acts of domestic violence have been committed. Now if there is no visible sign of injury but the victim states that an injury did, in fact, occur, the officer must take other factors into consideration in determining probable cause.

The City of Linwood is committed to the safety of all individuals in its community, however, the City of Linwood has particular concern for those who

are potentially vulnerable, including minor children. The City of Linwood regards the abuse of children as abhorrent in all its forms and pledges to hold its officials, employees and volunteers to the highest standards of conduct in interacting with children. Statistics show that 93% of victims under the age of 18 know the abuser. Further, a perpetrator does not have to be an adult to harm a child but are typically in a caregiver role. They can have any relationship to the child including a playmate, family member, a teacher, a coach, or instructor.

The City of Linwood is fully committed to protecting the health, safety and welfare of minors who interact with officials, employees, and volunteers of the City of Linwood to the maximum extent possible. These Policy and Procedures establish the guidelines for officials, employees, and volunteers who set policy for the City of Linwood or may work with or interact with individuals under 18 years of age, and those who supervise employees, and volunteers who may work with or interact with individuals under 18 years of age, with the goal of promoting the safety and wellbeing of minors.

This Model Policy provides guidelines that apply broadly to interactions between minors and officials, employees, and volunteers in programs operated by the City of Linwood or affiliated programs or activities. All officials, employees, and volunteers are responsible for understanding and complying with this policy.

**SECTION 2:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section III Policy is hereby amended to read as follows:

**III. Policy:**

The City of Linwood is charged with protecting the health, safety, and welfare of all its citizens, including children under the age of 18. To that end, the City of Linwood is firmly committed to protecting children under the care and supervision of the City of Linwood from all forms of physical, mental, sexual and emotional abuse. The City of Linwood is committed to establishing and implementing safeguards to eliminate opportunities for abuse of children entrusted to the care of the City of Linwood. The procedures outlined below shall apply to all officials, employees, and volunteers of the City of Linwood.

**SECTION 3:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section IV Recruitment and Hiring of Employees and Vetting of Individuals Volunteering Their Time is hereby amended to read as follows:

**IV. Recruitment and Hiring of Employees and Vetting of Individuals Volunteering Their Time:**

- i. All prospective employees and volunteers shall undergo a thorough and complete background check, including the following:
  1. For part-time employees who will be interacting with minors, including but not limited to lifeguards, camp counselors, coaches, and instructors:
    - a. National Database Criminal History Search
    - b. National Sex Offender Search
    - c. Social Security Trace/Validation
  2. For full-time employees in supervisory positions involving minors:
    - a. National Database Criminal History Search
    - b. National Sex Offender Search
    - c. Social Security Trace/Validation
    - d. Education Verification
    - e. Employment Verification
    - f. Credit Check
    - g. Motor Vehicle Record
    - h. Reference Check

Many local governments hire minor children to work in their summer or seasonal programs. It may be difficult to obtain any background information for minors. It is recommended that the local government attempt to verify any past employment for minors between 16 and 18 years of age, with consent of the parents or guardians.

Recognizing that fingerprint identification checks may not yield results in time for hiring purposes, the NJMEL assembled a list of qualified vendors for background checks through an RFQ process, and the five vendors on the list along with their contact information can be found at the following link on the NJMEL website.

<https://njmel.org/wp-content/uploads/2021/05/RFQ-Results-21-02-background-Check-Services.pdf>

Written documentation of the background check shall be maintained by the City of Linwood in perpetuity.

- ii. Background checks that disclose any negative or questionable results must be reviewed and approved by the Employer **prior to** the individual being hired and/or working with minors. **Provisional hiring should not permitted.**
- iii. All prospective employees and volunteers must complete the training adopted by the Employer **PRIOR TO** starting employment or volunteer service. **In addition to**

**completing the training course adopted by the Employer,** it is highly recommended that all volunteer coaches shall complete the Rutgers SAFETY Clinic course (*Sports Awareness for Educating Today's Youth*™) which is a three-hour program that meets the "Minimum Standards for Volunteer Coaches Safety Orientation and Training Skills Programs" under (N.J.A.C. 5:52) and provides partial civil immunity protection to volunteer coaches under the "Little League Law" (2A:62A-6 et. seq.) The current Rutgers Safety Clinic Course includes a module on the sexual abuse of minors. If coaches completed the Rutgers course more than five years ago and it did not have any training on the sexual abuse of minors, it is highly recommended that the coaches be required to watch the video on the MEL website. Documentation verifying that the coaches watched and understood their responsibilities must be kept to confirm that the training was completed.

- iv. The City of Linwood shall periodically re-check and document the Megan's Law directory for New Jersey to make certain that current employees are not listed.
- v. Once employed, authorized Adults who are employed are required to notify the appropriate Human Resources representative of an arrest (charged with a misdemeanor or felony) or conviction for an offense within 72 hours of knowledge of the arrest or conviction in order to ascertain the fitness of those employees and volunteers to interact with children.

**SECTION 4:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section V Procedures and Responsibilities of Officials is hereby amended to read as follows:

**V. Procedures and Responsibilities of Officials:**

*Under New Jersey Law, an official may be held liable for the abuse or neglect of a child if he or she fails to implement appropriate safeguards to protect the child while the minor has been entrusted to the care of the City of Linwood.* Most importantly, recent changes in the law in New Jersey extended the statute of limitations for child abuse and neglect cases substantially, thus placing local officials and employees at a far greater risk.

A valid cause of action can be filed by an alleged victim well after the official has left office. It is, therefore, critically important for officials to establish and monitor policies and procedures designed to safeguard minors entrusted to the care of the City of Linwood.

1. Officials of the City of Linwood are required to:
  - i. Complete the initial training course adopted by the City of Linwood, and any updated/refresher course, in order to better understand their legal duties and

responsibilities under Federal and NJ State Law. The training program will include the following concepts:

- Recognizing the signs of abuse and neglect of minors.
  - Establishing guidelines for protecting minors from emotional and physical abuse and neglect.
  - Understanding and being prepared to implement the procedures necessary to eliminate opportunities for abuse.
  - Becoming familiar with the legal requirements to report suspected cases of abuse.
  - Fully understanding the legal consequences for not being diligent in making certain that employees of the City of Linwood adhere to all policies and procedures as adopted.
- ii. Meet ***annually*** with all Department Heads to review the “Policy Addressing Sexual Abuse of Minors”, and to verify that the administration is adhering to this policy which includes all of the following provisions. *If the policy is not being adhered to, it is the legal obligation of the officials of the City of Linwood to implement whatever changes are necessary as soon as possible to make certain the policy is followed.*
- iii. Conduct ***random and unannounced*** visits to program sites to observe the setup of the programs and conduct of the employees and volunteers of the City of Linwood.

**SECTION 5:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section VI Program Procedures is hereby amended to read as follows:

**VI. Program Procedures:**

All City of Linwood programs operated by, sponsored by, or affiliated with the Employer shall comply with the following procedures. All officials, employees, and volunteers who interact with or could possibly interact with minors, and those employees who supervise employees who interact with or could possibly interact with minors, shall adhere to the following policy.

**SECTION 6:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section VII Specific Program Procedures is hereby amended to read as follows:

Authorized Adults with the program, as well as participants and their parents/legal guardians, must be advised of this procedure in writing prior to the participation of the minors in the program. In addition, the City of Linwood shall provide information to parents or legal guardians detailing the manner in which the participant can be contacted during the program.
- b. Make certain that all program participants provide a *Medical Treatment Authorization form annually* to the Employer.

- Staff members will appear neat, clean, and appropriately attired.

- Staff members will refrain from intimate displays of affection towards others in the presence of children, parents and staff.
- Staff members are required to refrain from texting, and posting or checking any of the social media outlets while they are working or volunteering. The only exception is for texting for the purposes of communicating with another staff member or parent regarding a programmatic issue pertaining to a child.

**In addition to the Code of Conduct, the following shall be a part of the specific program provisions:**

- If possible the City of Linwood shall assign a staff member who is at least 21 years of age to be accessible to participants. Additional Authorized Adults will be assigned to ensure one-on-one contact with minors does not occur and that appropriate levels of supervision are implemented.
- Take appropriate steps to make certain that children are not released to anyone other than the authorized parent, guardian, or other adult authorized by the parent or guardian. This shall include annual written authorization on file in advance.
- Develop and made available to participants and their parents or guardians, the rules and discipline measures applicable to the program. Program participants and staff must abide by all regulations and may be removed from the program for non-compliance with rules.

- The recommended ratio of counselors to program participants should reflect the gender distribution of the participants, and should meet the following:
  1. One staff member for every six participants ages 4 and 5

  3. One staff member for every ten participants ages 9 to 14
  4. One staff member for every twelve participants ages 15 to 17
- Responsibilities of the counselors must include, at a minimum, informing program participants about safety and security procedures, rules established by the program, and behavioral expectations. - All restrooms shall be checked in advance by staff persons before minor children enter to make certain that no other individuals are present.

- For field trips, staff members must monitor bathroom use by minor children and shall not permit a child to enter a restroom alone.

**SECTION 7:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section VIII Procedures for Law Enforcement Officers is hereby amended to read as follows:

**VIII. Procedures for Law Enforcement Officers:**

Law enforcement officers of the City of Linwood frequently interact with minors in a variety of ways. In addition to the guidance provided by the Attorney General’s Office, it is important to establish guidelines to assist law enforcement officers in being aware of how to act and react in these circumstances. To that end, the Chief of Police or his or her designee of the City of Linwood shall formulate a written policy addressing the safe treatment of minors for consideration and approval by the governing body for law enforcement officers who interact with minors.

The policy shall, at a minimum, incorporate and address the following:

- a. **Transporting minors in a police vehicle.** Whenever possible, victims or alleged victims of sexual assault or other crimes, or minors removed from a situation for protective purposes, shall be transported by two officers (at least one of whom shall be of the same sex as the victim) in unmarked vehicles that do not have a prisoner compartment/partition. Officers transporting a minor for whatever reason shall document starting and stopping mileage through radio contact.
- b. Directives issued by the NJ State Attorney General pertaining to interaction with minors shall be incorporated into the policy.

  - ii. Officers will portray a positive role model for youth by maintaining an attitude of respect, loyalty, patience, courtesy, tact, and maturity.

4. Reporting Abuse

**SECTION 9:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section X Reporting Suspected Child Abuse/Neglect is hereby amended to read as follows:

**X. Reporting Suspected Child Abuse/Neglect:**

In light of the importance and priority placed on safeguarding the health and safety of minors, it is critically important that suspected cases of child abuse and neglect are reported as soon as possible. **As a government official, employee or volunteer, you are legally required to report suspected child abuse. This requirement includes all governmental officials, employees and volunteers.**

The following procedures shall be utilized in reporting suspected cases of abuse. The City of Linwood shall also train officials, department heads, employees and volunteers in the concept of “**dual reporting**” which involves reporting the suspected abuse to local law enforcement in addition to reporting the abuse to the Department of Children and Families. Reporting suspected abuse to local law enforcement is critically important in cases where there is the potential for violence.

Child Abuse is hard thing to talk about, especially with victims. The most important thing to remember is to **show calm reassurance and unconditional support**. Avoid interrogation and leading questions. Understand that denial and embarrassment are common reactions. Don't display disbelief, shock, or disgust. Instead, be reassuring. Make sure the child knows that they did nothing wrong. Reassure them that this is not their fault and make sure they know that you take it seriously.

Interviewing children to investigate sexual abuse requires highly technical expertise. **Do not “investigate” an abuse situation. Do not interrogate the child.** The investigation will be undertaken by those who are trained to undertake that critical task. Instead report it immediately, as shown below. And finally, keep safety as the priority. If there is the

possibility of violence against yourself or the child, get the appropriate professionals or agencies involved as soon as possible, and report the abuse to local law enforcement.

**It is recommended that, whenever possible, officials, employees and volunteers report the suspected abuse to both the NJ Department of Children and Families and law enforcement at the same time, which is known as “dual reporting.”**

**For ALL elected officials, appointed officials, supervisors, department heads, full or part-time employees or volunteers of programs conducted by the City of Linwood:**

- Report the suspected abuse to the New Jersey Department of Children and Families. Please be prepared to include the following information to the extent the information has been told to you.
  - a. **Who:** The child and parent/caregiver’s name, age and address and the name of the alleged perpetrator and that person’s relationship to the child.
  - b. **What:** Type and frequency of alleged abuse/neglect, current or previous injuries to the child and what caused you to become concerned.
  - c. **When:** When the alleged abuse/neglect occurred and when you learned of it.
  - d. **Where:** Where the incident occurred, where the child is now and whether the alleged perpetrator has access to the child.
  - e. **How:** How urgent the need is for intervention and whether there is a likelihood of imminent danger for the child.
- Call the Hotline established by the NJ Department of Children and Families @ 1-877-652-2873. It is not the supervisor’s role to make a decision on whether a case should be reported. All cases shall be reported.

**For Law Enforcement Officers:**

- Immediately report any suspected or alleged cases of abuse or neglect to the New Jersey Department of Children and Families and to the County Prosecutor.

**SECTION 10:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section XI Important Information Regarding Reporting Suspected Abuse Under NJ Law is hereby amended to read as follows:

**XI. Important Information Regarding Reporting Suspected Abuse Under NJ Law:**

**The following guidelines have been established under New Jersey law, for those reporting suspected or alleged cases of abuse or neglect. The City of Linwood encourages all officials, employees, and volunteers in programs operated by the City**

**of Linwood or affiliated programs or activities to report suspected cases of abuse with the following in mind.**

- i. Any person who, in good faith, makes a report of child abuse or neglect or testifies in a child abuse hearing resulting from such a report is immune from any criminal or civil liability as a result of such action. Calls can be placed to the hotline anonymously.*
- ii. However, any person who knowingly fails to report suspected abuse or neglect according to the law or to comply with the provisions of the law is a disorderly person.*
- iii. When a report indicates that a child may be at risk, an investigator from the Division of Child Protection and Permanency (formerly Youth and Family Services) will promptly investigate the allegations of child abuse and neglect within 24 hours of receipt of the report.*

**SECTION 11:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVIII, Protection and Safe Treatment of Minors, Section XII Acknowledgement of Receipt and Review of Policy is hereby amended to read as follows:

**XII. Acknowledgement of Receipt and Review of Policy:**

All officials, employees/counselors, and volunteers shall sign and date an acknowledgement form that confirms they have received and reviewed the Policy Addressing the Protection and Safe Treatment of Minors, issued to them by the City of Linwood. The same process shall be used for any revised policy issued in the future.

**SECTION 12:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article II, Employment and Termination, Section A Employment; Section 6 Anti-Discrimination Policy and Section 7 General Anti-Harassment Policy are hereby deleted.

**SECTION 13:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article II, Employment and Termination, Section D. Whistle Blower Policy is hereby amended to be entitled Whistleblower Policy and to read as follows:

As a matter of policy, the Employer abides by all federal, state, and local laws, rules, and regulations applicable to it and has all its employees do the same. Every employee is responsible for assisting the Employer to implement this policy.

In the ordinary course, a violation of this policy should be reported to an employee's Department Head in writing, signed by the employee. If that is not practical or if that action is taken but does not prevent or correct the perceived violations, the employee is to deliver a written statement, signed and dated to the designated human resources official. The written statement should detail

the specific information the employee possesses so that the Employer may undertake an investigation.

The Employer or any of its employees will not retaliate against any employee who makes a good faith report pursuant to this policy, even if an investigation reveals that no violation occurred. More specifically, neither the Employer nor any of its employees will take any retaliatory action or tolerate any reprisal against an employee who:

Discloses, or threatens to disclose, to a supervisor or to a public body an activity, policy or practice of the Employer or another employer, with whom there is a business relationship, that the employee reasonably believes is in violation of a law, or a rule or regulation issued under the law, or, in the case of an employee who is a licensed or certified health care professional, reasonably believes constitutes improper quality of patient care;

Provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into any violation of law, or a rule or regulation issued under the law by the Employer or another employer, with whom there is a business relationship, or, in the case of an employee who is a licensed or certified health care professional, provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into quality of patient care;

Provides information involving deception of, or misrepresentation to, any shareholder, investor, client, patient, customer, employee, former employee, retiree or pensioner of the employer or any government entity;

Provides information regarding any perceived criminal or fraudulent activity, policy or practice of deception or misrepresentation which the employee reasonably believes may defraud any shareholder, investor, client, patient, customer, employee, former employee, retiree or pensioner of the Employer or any governmental entity.

Objects to, or refuses to participate in, any activity, policy or practice which the employee reasonably believes: (1) is in violation of a law, or a rule or regulation issued under the law or, if the employee is a licensed or certified health care professional, constitutes improper quality of patient care; (2) is fraudulent or criminal; or (3) is incompatible with a clear mandate of public policy concerning the public health, safety or welfare or protection of the environment. See N.J.S.A. 34:19-3.

Disclosure to the Employer first, however, is not required where (1) the employee is reasonably certain that the violation is known to one or more officials; (2) where the employee reasonably fears physical harm; or (3) the situation is emergent in nature. The employee must give the Employer a reasonable opportunity to correct the activity, policy or practice. It is the Employer's responsibility to correct or prevent such violations. This is a legal obligation and a practical necessity. A violation can taint the credibility of the Employer and cause the Employer and its employees to be subjected to adverse publicity leading to public distrust.

This policy is important to the Employer. Each employee should seek to resolve any problem within Employer channels before reporting it to any outside person or entity.

**SECTION 14:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article VI, Sexual Harassment and Discrimination is hereby amended to be entitled Policy Against Harassment and to read as follows:

The Employer is committed to providing a work environment that is free of discrimination. The Employer will not tolerate harassment of or by employees towards anyone, including any supervisor, co-worker, or non-employee, including vendors and citizens.

Applicability. This policy applies to all people employed by the Employer, as well as volunteers working on behalf of the Employer, and prohibits such conduct by or towards all such employees/volunteers. Independent contractors, vendors and all other parties, engaged in a professional business relationship with the Employer are also expected to abide by the policy. In addition, no employee shall be required to withstand behavior from the public which violates this policy.

Purpose. This policy is designed to ensure all employees a work environment free of any type of discrimination based upon a protected status, including freedom from sexual harassment. The purpose of this policy is to inform employees that harassment based upon a protected status is prohibited, to educate employees about harassment based upon a protected status and to provide employees with a procedure to bring complaints to management's attention.

Provisions. All employees are expected to avoid any behavior or conduct of a harassing or discriminatory nature. The Employer prohibits any form of harassment or discrimination related to an employee's protected group status, including race, creed, color, national origin, ancestry, religion, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, familial status, genetic information, sex, gender identity or expression, disability (including perceived disability, physical, mental, and/or intellectual disabilities), atypical hereditary cellular or blood trait, or because of the liability for service in the Armed Forces of the United States, veteran status, citizenship status, or any other group status protected by law. Harassment includes, but is not limited to:

- A. Treating an individual less favorably based on a person's protected group status;
- B. Using derogatory or demeaning slurs to refer to a person's protected group status;
- C. Calling another by an unwanted nickname which refers to one or more protected group statuses, or telling ethnic jokes that harass an employee or create a hostile work environment;
- D. Using derogatory references regarding a protected group status in any job-related communication;

E. Engaging in threatening, intimidating, or hostile acts, in the workplace, based on a protected group status; or

F. Displaying or distributing material in the workplace that contains language or derogatory or demeaning images, based on any protected group status.

Any form of harassment or discrimination related to an employee's protected group status violates this policy.

This policy applies to all employment practices such as recruitment, selection, hiring, training, promotion, transfer, assignment, layoff, return from layoff, termination, compensation, fringe benefits, working conditions and career development.

Violations of this policy will result in appropriate disciplinary action up to and including termination of employment.

Sexual Harassment. The Employer prohibits sexual harassment of its employees in any form. Such conduct shall result in appropriate disciplinary action up to and including dismissal from employment.

A. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct, gestures or communications, expressed or implied, of a sexual nature when:

(1) Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment; or

(2) Submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment, or

(3) That conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's employment, or creating an intimidating hostile or offensive employment environment.

B. Prohibited Conduct: No supervisory employee shall threaten or insinuate either directly or indirectly, that an employee's refusal to submit to sexual advances will adversely affect the employee's continued employment, evaluation, compensation, assignment, advancement, or any other condition of employment. Similarly, no supervisory employee shall promise or suggest either directly or indirectly, that an employee's submission to sexual advances will result in any improvement in any term or condition of employment for the employee.

Other sexually harassing conduct in the workplace, whether committed by supervisory or non-supervisory personnel is also prohibited. This includes, but shall not be limited to:

- (1) Sexual flirtations, advances, propositions, subtle pressure for sexual activity, flirtatious whistling, discussing sexual activities;
- (2) Verbal abuse of a sexual nature including sexually oriented "kidding" or "teasing," "practical jokes," jokes about gender-specific traits, and foul or obscene language or gestures;
- (3) The display of sexually graphic pictures or pictures of an offensive nature, or objects in the workplace, including sexually suggestive written material such as letters, notes, facsimiles, text messages and e-mails;
- (4) Any unwelcome sexually motivated touching, including, for example, patting, pinching, hugging, cornering, blocking or impeding movement and repeated brushing against another employee's body.

Sexual harassment also occurs when one person harasses another solely because of the victim's gender. This type of sexual harassment may involve unwelcome sexual demands or overtures, but it may also take the form of other harassing conduct not necessarily sexual in nature. For example, this would include gender stereotyping such as comments about the lesser abilities, capacities, or the "proper role" of females. It also includes subjecting a woman or a man to non-sexual harassment solely because of her or his gender. Sexual harassment is prohibited whether the harasser is male or female, and whether the harassment is opposite sex or same-sex harassment.

Complaint Procedure. Any employee who feels he or she has been subject to harassment should report the incident directly to the designated Affirmative Action Officer. The designated Affirmative Action Officer will ask the employee to complete a Harassment Complaint Form. Employees, however, are not required to complete the complaint form to initiate a harassment complaint under this policy.

Alternatively, any employee who feels he or she has been subject to harassment should report the incident directly to the Chief Administrative Officer. The Chief Administrative Officer will ask the employee to complete a Harassment Complaint Form. Employees, however, are not required to complete the complaint form to initiate a harassment complaint under this policy. The names and telephone numbers of the designated Affirmative Action Officer and Chief Administrative Officer are contained in the Contact Information attached to this policy.

Any individual uncomfortable reporting an incident to the designated Affirmative Action Officer and/or Chief Administrative Officer should feel free to go to any management representative with whom he or she feels most comfortable to relay the problem. When any management representative learns of a violation of this policy, the management representative shall assist the victim in reporting the alleged incident(s) of harassment.

All Employer employees should notify the alleged harasser that the behavior in question is thought to be offensive and unwelcome. However, failure to inform the alleged harasser that the behavior is unwelcome does not prevent the victim from filing a complaint pursuant to this policy. The harassment or discrimination does not have to occur on the Employer's property during regular work hours for an employee to file a complaint under this policy.

The Employer strongly encourages employees who witness conduct which they believe violates the Employer's Policy Against Harassment to report the violation pursuant to this complaint procedure. The Employer encourages the prompt reporting of complaints so that rapid response and appropriate action may be taken. Any complaint should be reported within sixty (60) days to be considered current. Nevertheless, due to the sensitive nature of these problems, all complaints will be investigated, regardless of when they are filed.

Investigation Procedure. The Employer shall conduct an investigation into the harassment complaint to determine the merits of the allegations. The designated Affirmative Action Officer and/or Chief Administrative Officer shall designate an objective investigator to determine the validity of any complaint. The objective investigator may include any third party deemed appropriate.

The investigation shall be completed in a reasonable time to resolve the issue and minimize the effects of such investigation on the parties involved. The investigation will, at a minimum, include an interview with the employee bringing the complaint and the accused.

If the Employer determines that the complaint has merit, the accused shall face appropriate disciplinary action based upon the severity of the complaint and any prior history of past charges against the individual. Disciplinary action may include a written warning, suspension, demotion, and/or termination of employment. Any disciplinary action shall be consistent with applicable collective bargaining agreements, regulations and applicable due process safeguards. Upon completion of the investigation, the entire file shall be maintained in a secure location with the Employer.

In the event that the Employer determines the complaint to be intentionally dishonest, appropriate disciplinary action may be taken against the employee who caused the complaint to be filed.

Privacy. To the extent possible, all persons involved in a harassment complaint will be given the utmost protection of privacy. Specifically, the Employer will strive, both during and after the investigation, to maintain confidentiality to the fullest extent possible, including confidentiality of the identities of all persons involved or alleged to be involved in the incident, revealing only those particulars of the matter to the extent necessary for a thorough investigation. Any employee who unnecessarily compromises the confidentiality of an investigation will be subject to appropriate discipline.

Responsibility of Supervisory Personnel. Supervisors are to monitor the work environment to ensure that all subordinates comply with this Policy Against Harassment. When a supervisor learns of a violation of this policy, the supervisor shall assist the victim in reporting the alleged incident(s) of harassment.

Alternatively, the supervisor shall report the matter to the designated Affirmative Action Officer and/or Chief Administrative Officer for resolution.

Retaliation Prohibited. The Employer encourages victims of harassment to bring their complaints to management by ensuring that no reprisals or retaliation will result from the good faith reporting of harassment. The filing of a complaint, in good faith, shall not, under any circumstances provide cause for discipline. Additionally, it is a violation of this policy for any personnel to retaliate against another because he or she filed a complaint or otherwise participated in the complaint procedure.

Any supervisor who receives a harassment complaint from any employee must bring it to the attention of the designated Affirmative Action Officer and/or Chief Administrative Officer for resolution. Supervisors shall closely monitor the work environment for any forms of retaliation once an allegation has been made. This will include but not be limited to verbal remarks, irregular assignments or any other activity that may contribute to a hostile work environment.

Legal Effect. This Policy Against Harassment is to be construed as a unilateral expression of the policy of the Employer concerning harassment in the workplace. It is not intended to create any contractual rights or duties and any such intention or effect is hereby disclaimed. This policy may be amended, supplemented, modified and/or revised at any time. Any employee with questions regarding the Employer's Policy Against Harassment should contact the designated Affirmative Action Officer and/or Chief Administrative Officer.

Training. The Employer recognizes the need to reinforce its policies with effective training. Training is to be provided to all supervisory and non-supervisory employees. Ultimately, the goal of effective training is to build a culture in which all employees feel safe. Training may be conducted in person or through electronic means. To the extent economically and operationally feasible, training should be conducted live whenever possible. Training should empower participants to intervene appropriately when they witness harassment or discrimination. This means not only training participants on the requirements of the policy prohibiting harassment and discrimination, but also training participants on tools for response and lodging complaints. Training should emphasize the negative impact of harassment and discrimination on employees, workplace productivity, workplace culture, and encouraging those employees who either experience harassment/discrimination or witness it to report it.

Monitor for Compliance. The Employer acknowledges the importance of ensuring that employers' policies and procedures are actually working as intended to prevent sexual harassment and other forms of discrimination from occurring in the workplace. It is the

expectation of the Employer that all supervisors shall enforce anti-harassment policies and that setting the proper example is part of their job description and part of the evaluation of their job performance. The Employer will engage in proactive efforts to monitor and ensure compliance with its policies within their workplaces.

**SECTION 15:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XII, Workplace Violence Policy is hereby amended to be entitled Policy Prohibiting Workplace Violence and to read as follows:

The Employer has adopted this Zero Tolerance Policy for workplace violence because it recognizes that workplace violence is a growing problem nationally that needs to be addressed by all employers. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, and/or coercion which involve or affect the Employer, its employees or which occur on the Employer's property will not be tolerated.

Threats or Acts of Violence Defined. "Threats or acts of violence" include conduct against persons or property that is sufficiently severe, offensive, or intimidating to alter the employment conditions with the Employer, or to create a hostile, abusive, or intimidating work environment for one or more employees.

Examples of Workplace Violence. General examples of prohibited workplace violence include, but are not limited to, the following:

All threats or acts of violence occurring on Employer property, regardless of the relationship between the Employer and the parties involved in the incident.

All threats or acts of violence not occurring on Employer property but involving someone who is acting in the capacity of a representative of the Employer.

All threats and acts of violence not occurring on Employer property involving an employee of the Employer if the threats or acts of violence affect the legitimate interest of the Employer.

Any threats or acts resulting in the conviction of an employee or agent of the Employer, or of an individual performing services on the Employer's behalf on a contract or temporary basis, under any criminal code provision relating to threats or acts of violence that adversely affect the legitimate interests and goals of the Employer.

Specific Examples of Prohibited Conduct. Specific examples of conduct which may be considered "threats or acts of violence" prohibited under this policy include, but are not limited to:

Hitting, fighting, pushing, or shoving an individual or throwing objects;

Threatening to harm an individual or his/her family, friends, associates, or their property;

The intentional destruction or threat of destruction of property owned, operated, or controlled by the Employer;

Making harassing or threatening telephone calls, letters or other forms of written or electronic communications;

Intimidating or attempting to coerce an employee to do wrongful acts that would affect the business interests of the Employer;

Harassing surveillance, also known as “stalking,” the willful, malicious and repeated following of another person and making a credible threat with intent to place the other person in reasonable fear of his or her safety;

Making a suggestion or otherwise intimating that an act to injure persons or property is “appropriate,” without regard to the location where such suggestion or intimation occurs;

Unauthorized possession or inappropriate use of firearms, weapons, or any other dangerous devices on Employer property.

While employees of the Employer may be required as a condition of their work assignment to possess firearms, weapons or other dangerous devices, or permitted to carry them as authorized by law, employees are to use them only in accordance with departmental operating procedures and all applicable State and Federal laws.

Application of Prohibition. The Employer’s prohibition against threats and acts of violence applies to all persons involved in the Employer’s operation, including but not limited to Employer personnel, volunteers, contract and temporary workers, and anyone else on Employer property. Violation of this policy by any individual on Employer property, by any individual acting as a representative of the Employer while not on Employer property, or any individual acting off of the Employer’s property when his or her actions affect the public interest or the Employer’s business interests will be followed by legal action, as appropriate. Violation by an employee of any provision of this policy may lead to disciplinary action up to and including termination.

Warning Signs, Symptoms and Risk Factors. The following are examples of warning signs, symptoms, and risk factors which MAY indicate an employee’s potential for workplace violence:

Dropping hints about a knowledge of firearms;

Making intimidating statements like: “You know what happened at the Post Office,” “I’ll get even,” or “You haven’t heard the last from me”;

Possessing reading material with themes of violence, revenge and harassment;

Physical signs of hard breathing, reddening of complexion, menacing stare, loudness, fast profane speech;

Acting out either verbally or physically;

Disgruntled employee or ex-employee who is excessively bitter;

Being a loner;

Having a romantic obsession with a co-worker who does not share that interest;

History of interpersonal conflict;

Intense anger, lack of empathy;

Domestic problems, unstable/dysfunctional family;

Brooding, depressed strange behavior, "time bomb ready to go off."

Supervisors should be alerted to and aware of these indicators. If an employee exhibits such behavior, the employee should be monitored and such behavior should be documented.

Procedures for Dealing with Acts of Workplace Violence. When a violent act occurs in the workplace: If a violent act or altercation constitutes an emergency, call 9-1-1 or the local police department. In instances that are not emergency situations, contact your Department Head or the designated human resources official. If possible, separate the parties involved in the violent altercation. If the parties cannot be separated, or if it would be too dangerous for the employee to separate the parties, call 9-1-1 or the local police department, and contact your Department Head or the designated human resources official. The Department Head will contact the designated human resource officer, who will take responsibility for coordinating a response to the incident.

In instances that involve criminal situations, the designated human resources official will contact the appropriate local police department for assessment, and if necessary, a criminal investigation.

Employee Reporting Obligations and Procedure. Each employee and every person on Employer property is encouraged to report incidents or threats or acts of physical violence of which he or she is aware. In cases where the reporting individual is not an employee, the report should be made to the local police department. In cases where the reporting individual is an employee, the report should be made to the employee's Department Head or the designated human resources official. Each Department Head shall promptly refer any such incident to the designated human resources official.

The Employer will promptly and thoroughly investigate all reports of threats of (or actual) violence and/or suspicious individuals or activities. Any individual determined to be responsible for conduct in violation of this policy will be subjected to disciplinary action up to and including termination of employment, arrest and prosecution.

Nothing in the policy alters any other reporting obligation established in the Employer's policies or in state, federal or other applicable law.

Confidentiality and Retaliation. This policy prohibits retaliation against any employee who, in good faith, reports a violation of this policy. Every effort to the extent practicable will be made to protect the safety and identity of anyone who comes forward with concerns about a threat or act of violence. Employees shall refer any questions regarding his or her rights and obligations under the policy to the designated human resources official.

**SECTION 16:** Chapter 52, Personnel and Personnel Procedures, Employee Manual, Article XVI, Communication Media Policy is hereby amended to be entitled Computer Use, Electronic Mail, and Internet Policy and to read as follows:

The Employer's e-mail, voicemail, computer systems and Internet service are for official Employer business and use for all other non-business purposes during working time is prohibited. "Working time" shall be defined as any time in which the employee is engaged in or required to be performing work tasks for the Employer. Working time excludes times when employees are properly not engaged in performing work tasks, including break periods and meal times. This includes, but is in no way limited to, the use of computers or Employer-issued mobile devices, use of social networking, gaming or TV/video.

**Note: All e-mail, voicemail, text, and internet messages are official documents subject to the provisions of the Open Public Records Act ("OPRA"), N.J.S.A. 47:1A-1 et seq.**

The Employer operates in an environment where the use of computers, e-mail and the Internet are essential tools for certain employees. Those employees are encouraged to use computers, e-mail and the Internet; however, it is the responsibility of the employee to guarantee that these systems are solely used for business-related purposes during working time, (as defined above) and are used in a proper and lawful manner at all times.

- Employees are advised that all computers owned by the Employer are to be used for business purposes only during working time (as defined above), and that they have no expectation that any information stored on an Employer computer is private. Because e-mail messages are considered as business documents, the Employer expects employees to compose e-mails with the same care as a business letter or internal memo.

- Downloading or misusing software available through the Internet could violate copyright laws or licensing requirements.
- Personal use of any computer during working time (as defined above) is prohibited, unless expressly authorized by the employee's supervisor.
- The Employer reserves the right to block or cancel an employee's access to Internet sites or the Internet as a whole while using business computers or on the Employer's time.
- The e-mail, telephone, and Internet systems, as well as the messages thereon, are the property of the Employer.
- The Employer reserves its right to monitor its computer systems, including but not limited to, e-mail messages, computer files and Internet usage, with or without notice, at any time, at the Employer's discretion. The Employer also reserves the right to access and disclose such communications and recordings to third parties in certain circumstances. Therefore, employees shall have no expectation of privacy in any transmissions made or received using Employer computers or email accounts.
- Employees must be aware that the mere deletion of a file or message may not fully eliminate that file or message from the system.
- The existence of personal access codes, passwords and/or "message delete functions," whether provided by the Employer or generated by the employee, do not restrict or eliminate the Employer's access to any of its electronic systems as the employees shall be on notice that they should not have any expectation of privacy when using these systems.
- Employees shall not share personal access codes or passwords, provide access to an unauthorized user, or access another's e-mail or Internet account without authorization.
- The Employer's network, including its connection to the Internet, is to be solely used for business-related purposes during working time (as defined above). If permission is granted, an employee's personal use of the Employer's computer, e-mail and connection to the Internet shall not interfere with the employee's duties and shall comply with the Employer's policies and all applicable laws.
- Any messages or transmissions sent outside of the organization via e-mail or the Internet will pass through a number of different computer systems, all with different levels of security. Accordingly, employees must not send privileged and/or confidential communications (i.e. Social Security numbers, medical and/or HIPAA protected information, dependent information or other information protected from unlawful disclosure), via e-mail or the Internet unless the message is properly encrypted, and should consider a more secure method of communication for such data.

- Because postings placed on the Internet may display the Employer's address or other Employer-related information, and thus reflect on the Employer, make certain before posting such information that it exhibits the high standards and policies of the Employer. Under no circumstances shall data of a confidential nature (i.e. Social Security numbers, medical and/or HIPAA protected information, dependent information or other information protected from unlawful disclosure) be posted on the Internet.

- If you identify yourself as an employee in any manner on any internet posting or blog, comment on any aspect of the Employer's business or post a link to the Employer, you must include the following disclaimer in an openly visible location: "the views expressed on this post are mine and do not necessarily reflect the views of the Employer or anyone associated/affiliated with the Employer."

- Subscriptions to news groups or mailing lists are permitted only when the subscription is for a work-related purpose and authorized by Employer. Any other subscriptions are prohibited.

- All files downloaded from the Internet, e-mail attachments or the like should be checked for possible viruses. If uncertain whether your virus-checking software is current, you must check with the Employer's Network Administrator before downloading.

- Any "unauthorized use" of e-mail or the Internet is strictly prohibited while at work or while using an Employer computer. "Unauthorized use" includes, but is not limited to: connecting, posting, or downloading obscene, pornographic, violent, sexually suggestive, or discrimination based material; attempting to disable or compromise the security of information contained on the Employer's computer systems; or sending or receiving obscene, violent, harassing, sexual or discrimination based messages. If an employee receives a message that is representative of an "unauthorized use" of the Employer's electronic media from someone outside of the Employer, it is the employee's duty to immediately inform the sender of such materials that he or she must refrain from sending such materials.

- Your Internet postings SHOULD NOT VIOLATE ANY OTHER APPLICABLE EMPLOYER POLICY, including, but not limited to, the following: the Employer's Anti-Harassment and Discrimination Policies.

- Employer business which is conducted by an employee on his or her personal computer or device is subject to this policy and may be subject to the provisions of OPRA.

Any employee who violates this policy shall be subject to disciplinary action, up to and including termination. This policy shall not be construed to restrict employees' rights to share information about their employment terms and conditions communicate with each other; or engage in other concerted activities for their mutual aid and protection.

## Social Network Postings

For purposes of this policy, a social network is defined as a site that uses internet services to allow individuals to construct a profile within that system, define a list of other users with whom they share some connection, and view and access their list of connections and those made by others within that system. The type of network and its design vary from site to site. Examples of the types of internet based social networking activities include: blogging, networking, photo sharing, video sharing, microblogging, podcasting, as well as posting comments on the sites. The absence of, or lack of explicit reference to a specific site or activity does not limit the extent of the application of this provision.

The use of the internet and social networking sites, including but not limited to Snapchat, Facebook, and Twitter, is a popular activity; however, employees must be mindful of the negative impact of inappropriate or unauthorized postings upon the Employer and its relationship with the community. This provision identifies prohibited activities by employees on the internet where posted information is accessible to members of the general public, including, but not limited to, public postings on social networking sites.

Specifically, the Employer reserves the right to investigate postings, private or public, that violate work-place rules, such as the prohibition of sexual harassment and other discriminatory conduct, where such postings lawfully are made available to the Employer by other employees or third parties. Employees should use common sense in all communications, particularly on a website or social networking site accessible to anyone. If you would not be comfortable with your supervisor, coworkers, or the management team reading your words, you should not write them.

Be advised that employees can be disciplined for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment. You can also be sued by agency employees or any individual who views your commentary, content, or images as defamatory, pornographic, proprietary, harassing, libelous or creating a hostile work environment. **ORDINANCE NO. 16, 2021**

**AN ORDINANCE BY THE CITY OF LINWOOD IN THE COUNTY OF ATLANTIC, NEW JERSEY PROHIBITING THE OPERATION OF ANY CLASS OF CANNABIS BUSINESSES WITHIN ITS GEOGRAPHICAL BOUNDARIES AND ESTABLISHING A CHAPTER ENTITLED CANNABIS AND AMENDING CHAPTER 228 SMOKING OF THE CODE OF THE CITY OF LINWOOD**

**WHEREAS**, in 2020 New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called “cannabis” for adults at least 21 years of age; and

**WHEREAS**, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (the “Act”), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and

**WHEREAS**, the Act establishes six marketplace classes of licensed businesses, including:

- Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
- Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
- Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
- Class 4 Cannabis Distributer license, for businesses involved in transporting cannabis plants in bulk from one licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
- Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and
- Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer.

**WHEREAS**, section 31a of the Act authorizes municipalities by ordinance to adopt regulations governing the number of cannabis establishments (defined in section 3 of the Act as

“a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”), cannabis distributors or cannabis delivery services allowed to operate within their boundaries, as well as the location manner and times of operation of such establishments, distributors or delivery services, and establishing civil penalties for the violation of any such regulations; and

**WHEREAS**, section 31b of the Act authorizes municipalities by ordinance to prohibit the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality; and

**WHEREAS**, section 31b of the Act also stipulates, however, that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (*i.e.*, by August 22, 2021); and

**WHEREAS**, pursuant to section 31b of the Act, the failure to do so shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones; and

**WHEREAS**, at the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating within the municipality; and

**WHEREAS**, the Common Council of the the City of Linwood has determined that, due to present uncertainties regarding the potential future impacts that allowing one or more classes of cannabis business might have on New Jersey municipalities in general, and on the City of Linwood in particular, it is at this time necessary and appropriate, and in the best interest of the health, safety and welfare of the City of Linwood’s residents and members of the public who visit, travel, or conduct business in the City of Linwood, to amend the City of Linwood’s zoning regulations to prohibit all manner of marijuana-related land use and development within the geographic boundaries of the City of Linwood; and

**WHEREAS**, due to the complexity and novelty of the Act; the many areas of municipal law that are or may be implicated in decisions as to whether or to what extent cannabis or medical cannabis should be permitted for land use purposes or otherwise regulated in any particular municipality; and the relatively short duration in which the Act would allow such decisions to be made before imposing an automatic authorization of such uses in specified zoning districts subject to unspecified conditions, the most prudent course of action for all municipalities, whether or not generally in favor of cannabis or medical cannabis land development and uses, would be to prohibit all such uses within the Act’s 180-day period in order to ensure sufficient time to carefully review all aspects of the Act and its impacts;

**NOW THEREFORE, BE IT ORDAINED**, by the Common Council of the the City of Linwood, in the County of Atlantic, State of New Jersey, as follows:

1. Pursuant to section 31b of the New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act (P.L. 2021, c. 16), all cannabis establishments, cannabis distributors or cannabis delivery services are hereby prohibited from operating anywhere in the City of Linwood, except for the delivery of cannabis items and related supplies by a delivery service.

2. Section 277-11, Zoning, of the the Code of the City of Linwood is hereby amended by adding to the list of prohibited uses, the following: “All classes of cannabis establishments or cannabis distributors or cannabis delivery services as said terms are defined in section 3 of P.L. 2021, c. 16, but not the delivery of cannabis items and related supplies by a delivery service.”

3. A new Chapter of the Code of the City of Linwood shall be established entitled Cannabis.

- a. Purpose. Whereas, the public has voted to approve an amendment to the New Jersey Constitution to allow for the legalization of the recreation use of cannabis for adults at least 21 years of age which has been signed into law, it is the policy and the intent of the City of Linwood to restrict the consumption of cannabis by any means to private residences.
- b. Violations and penalties. Any person who shall violate or fail to comply with the provisions of this chapter shall, upon conviction, be subject to a minimum fine of \$250.00 or a maximum of \$2000 or by imprisonment for a term not exceeding 90 days or by a period of community service not exceeding 90 days as well as such penalties as may otherwise be provided by law.

4. Chapter 228 Smoking of the Code of the City of Linwood shall be amended as follows:

Article II. School Grounds, 228-8 Definitions:

Smoking - The act of inhaling, exhaling, burning, vaping or carrying any lighted cigarette, cigar, pipe, cannabis, plant or other combustible substance in any manner or in any form, including but not limited to tobacco or other similar products.

Article III. Recreational Areas and Parks, 228- 13 Definitions:

Smoking - The act of inhaling, exhaling, burning, vaping or carrying any lighted cigarette, cigar, pipe, cannabis, plant or other combustible substance in any manner or in any form, including but not limited to tobacco or other similar products.

Article III. Recreational Areas and Parks, 228-14 Smoking prohibited:

The City does hereby specifically prohibit any smoking or vaping of all types and of any substance including but not limited to tobacco and cannabis on any recreational field or in any park, including but not limited to the Linwood Bicycle Path, owned by the City.

5. Any article, section, paragraph, subsection, clause, or other provision of the Code of the City of Linwood inconsistent with the provisions of this ordinance is hereby repealed to the extent of such inconsistency.

6. If any section, paragraph, subsection, clause, or provision of this ordinance shall be adjudged by a court of competent jurisdiction to be invalid, such adjudication shall apply only to the section, paragraph, subsection, clause, or provision so adjudged, and the remainder of this ordinance shall be deemed valid and effective.

7. This ordinance shall take effect upon its passage and publication and filing with the Atlantic County Planning Board, and as otherwise provided for by law.
